CHIPPEWA HIGH SCHOOL

A decorative border of stylized, hand-drawn floral and vine motifs surrounds the central text. The motifs include swirling vines, small leaves, and clusters of tiny flowers or buds, primarily located along the top, right, and bottom edges of the page.

TAKE THE MINUTE

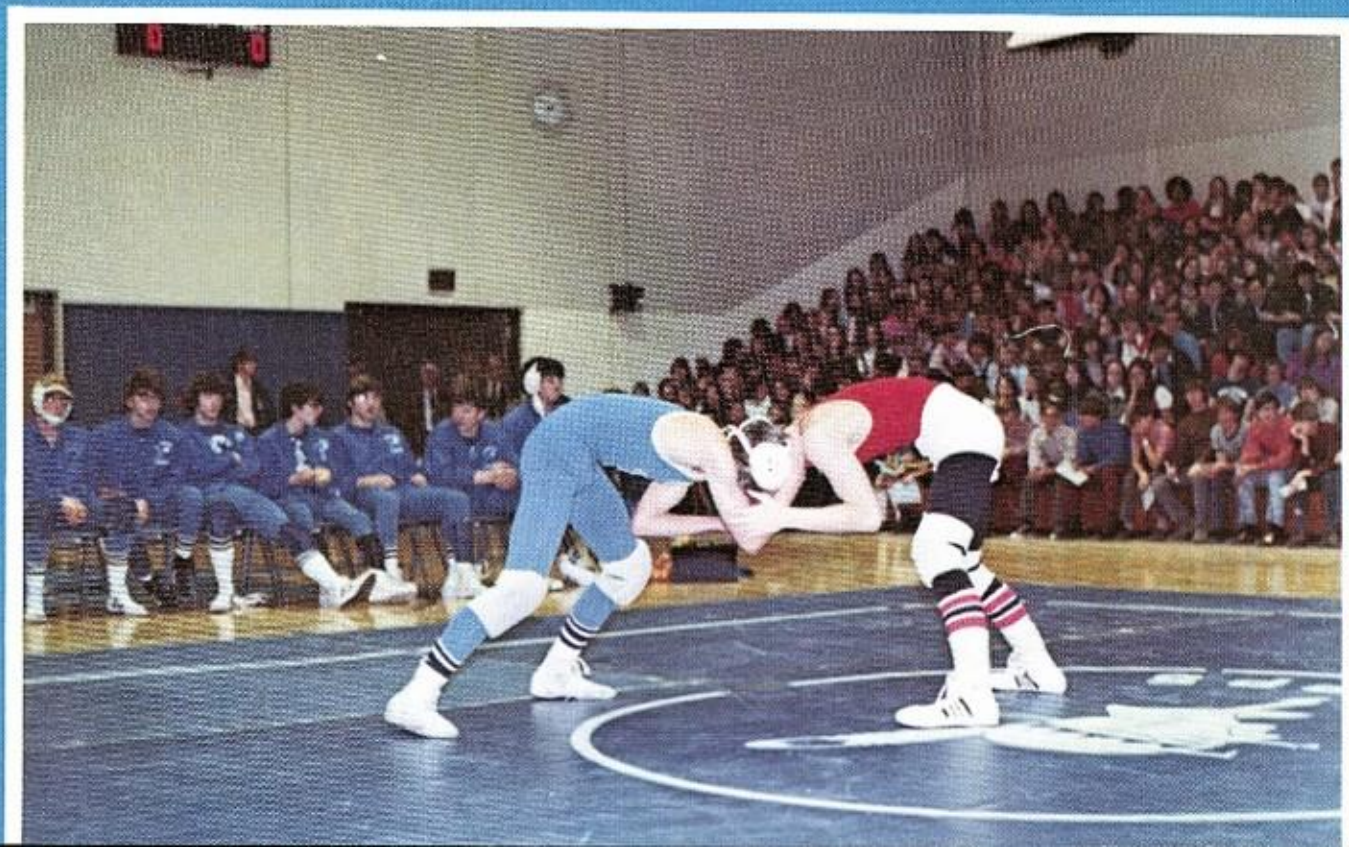

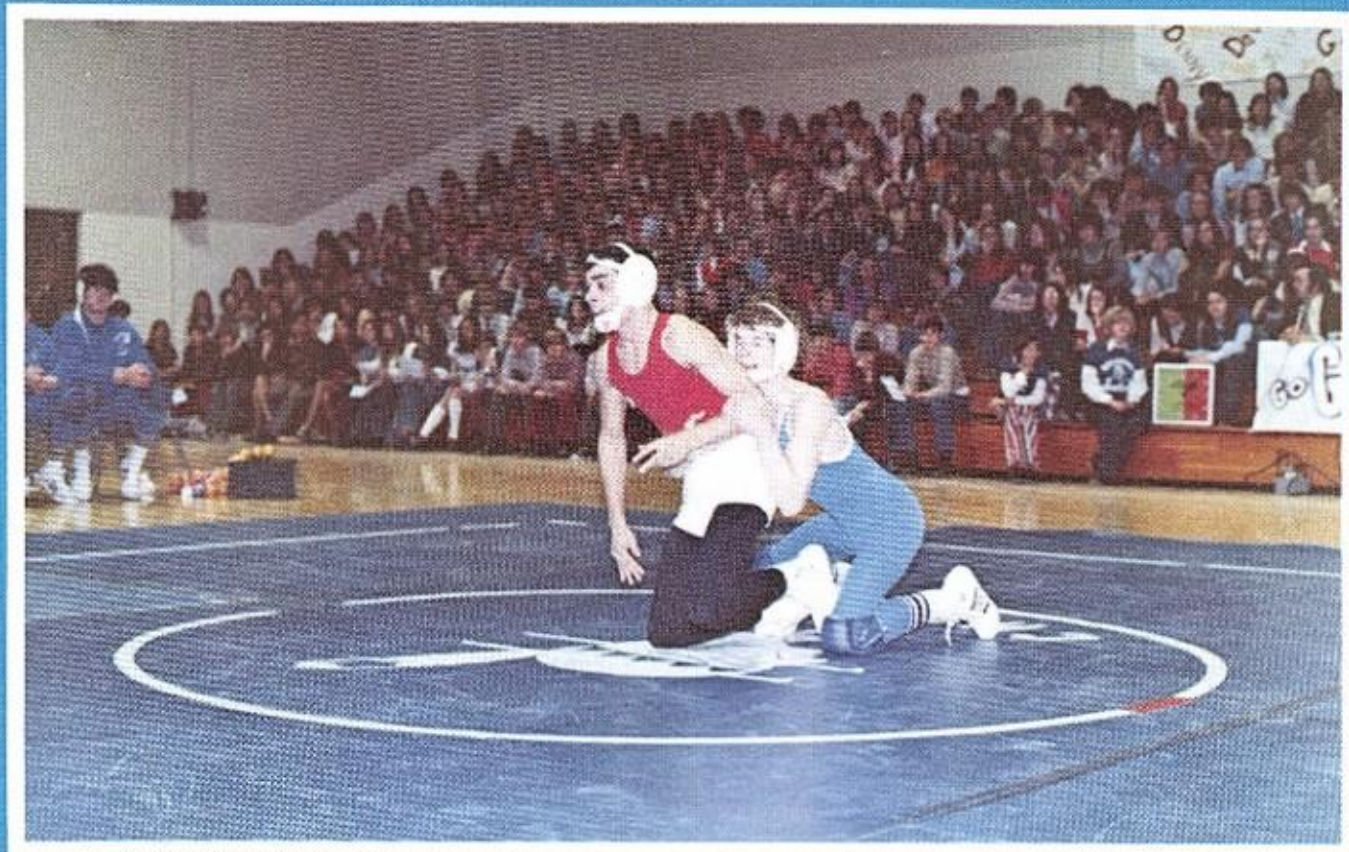

History and geometry
I learned my lessons well
I can read and write
And on a good day I can spell
There are lots of things in life
In school you never learn
And so I keep my eyes wide open
Every time I turn a corner
Every time I see a clock-hand turn
Take the minute
Hold it in your hand
Make the minute
Something you can understand
For minutes fly like lightning
Across the summer sky
Hello is the beginning of goodbye
Take the hour
Hold it to you fast, and
make the hour
something that will last
An hour's like a lifetime
when looking back at spring
And so, don't let the moment get away
I'm seven hundred winters
From the boy I used to be,
How did the boy I was, grow up
to be a man like me?
Seize the moment
The moment here and now, and
make the moment
good and it will grow
For moments fall like dry leaves
Upon an autumn day
And so don't let the moment get away.
So take the minute
And make it what you will
Take it now or else you never will.

Chipps go 8-3 for '72

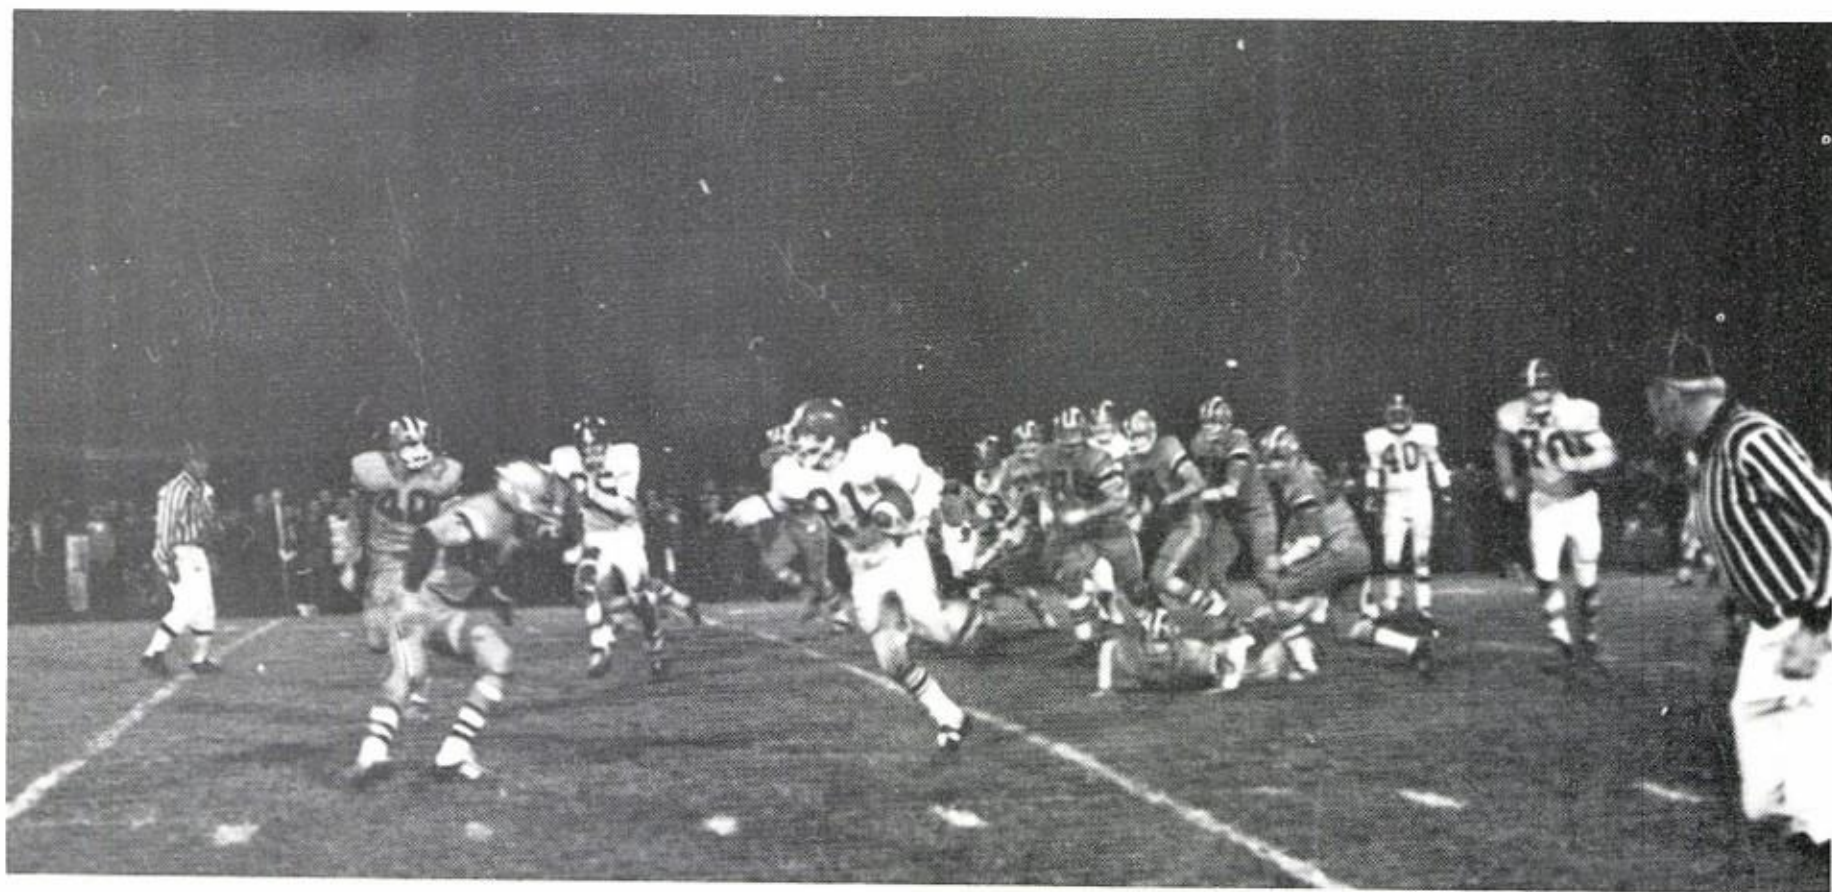

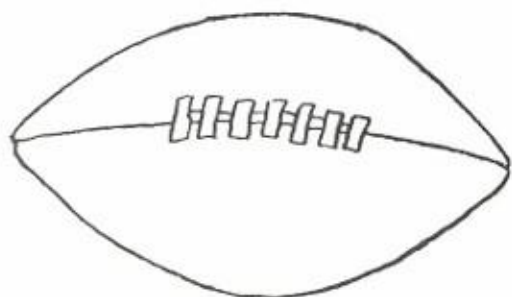

Headed by Coach Jim Boyden, the Chipps hoped for the WCL crown this year. At every game they displayed their fine talents and burning desire to win, but in the end had to settle for 3rd place. Receiving All County Awards were sophomore Clark Brownlow and seniors Paul Petit, Ed Busson, and Mark Van Horn (PICTURED BOTTOM LEFT). Individual school awards were: Most Valuable player - Paul Petit, Most Valuable Defensive Player - Jeff Mills, and Most Valuable Lineman - Ed Busson. Mark Van Horn was also named to the All District Team.

A new track course is made by Chipps

Making their way through muddy fields and uneven ground, CHS, for the first time took part in Cross Country Track competition. The men entered the sport with great enthusiasm and much training under the direction of Tom Buch. Through the course of the season the Chipps picked up a 6-4 record. Upon the graduation of the four senior lettermen, Coach Buch is anticipating great support from underclassmen in the coming year.

Chipp Band performs under new director

Under the direction of a new director, Martin Biviano, our band had a wonderful year! They had a lot of practice before school started and through football season and it really showed at the half-time football game shows. A lot of the spirit at those games came from the band with all their cheers backing up the Chipp team.

Football season wasn't the only time the Chipp band displayed their talents. During basketball season they had a pep band that entertained at half-time and they also had a pop concert in February.

'73 Chipps bring home new basket record

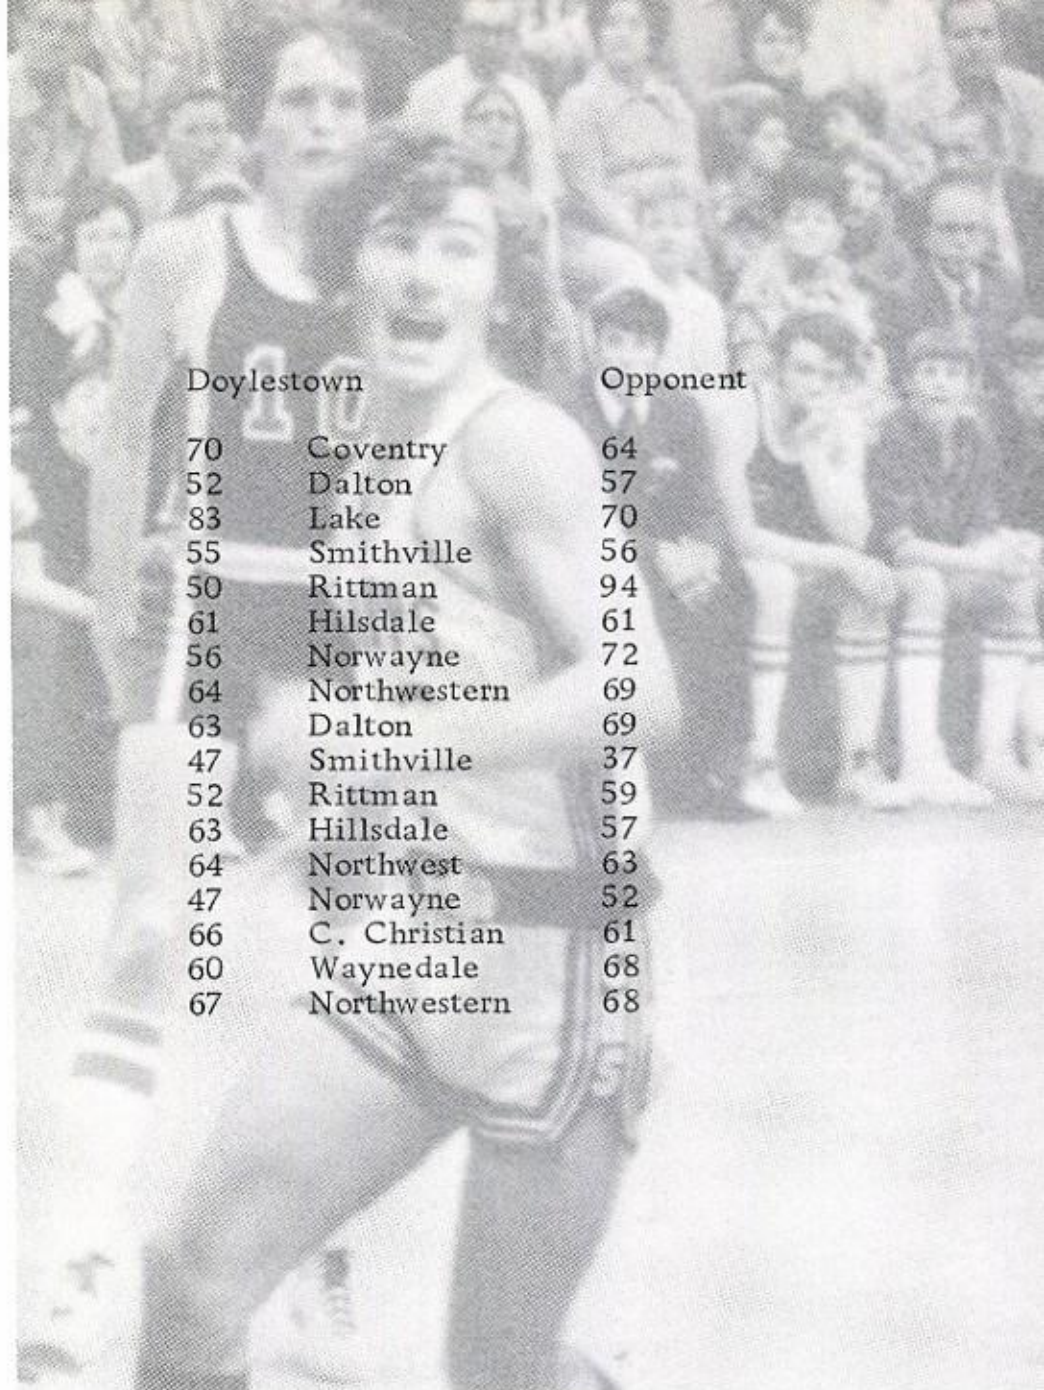

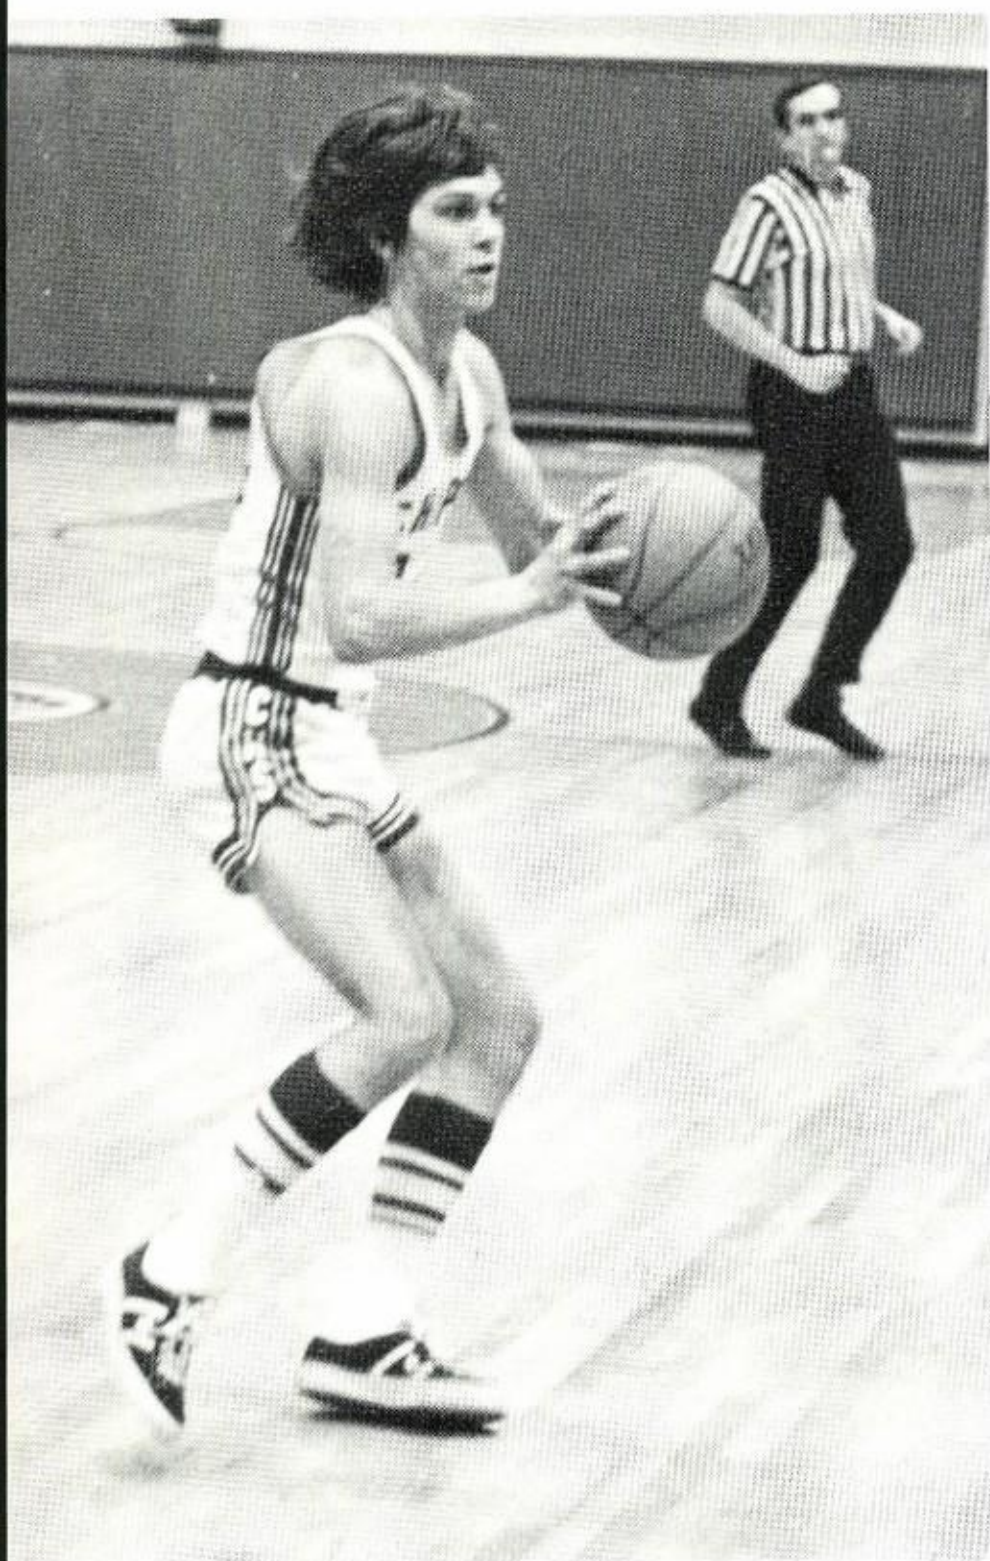

The '72-'73 Chipps all senior varsity took that first initial step to a long awaited winning basketball season. In the up and down season, the Chipps just couldn't come up with three victories in a row, yet they achieved respect within their league. Not only with their physical play, and devastating fastbreak but also with their determination and finesse. Pride and ability were among many of the teams' attributes as they landed a pair of teammates on the all county selections. We hope in the coming years those future teams surpass the superiority and admiration of these senior players.

Dedication: A term only used by a CHS wrestler

The 1972-73 Chippewa Grapplers were impressive as they entered the season. The over-all record was not as outstanding as expected, though several wrestlers proved exceptional. Dave Musgrave, Dan Bowling, Denny White and Roy Stockwell were representatives for the Chippis at the sectionals. With the driving efforts of these four young men, improvement over last year's sectional record was apparent as this year we took 6th place. The team ended the season by voting Dave Musgrave "outstanding wrestler" and Denny White "most improved".

Chipp Thespians present "meet me in St. Louis"

Mr. Smith is being sent to New York to be the head of the plant office. When he breaks the news to his family, they are appalled. They don't want to move from St. Louis because the World's Fair is about to begin. The children act like hoodlums to prove their father "can't even manage his own family". They outrage Mr. Smith's boss to the point that he fires their father. Mr. Smith eagerly waits to be called back to work. With the children trying to handle the situation, Mr. Smith hears nothing of the disastrous consequences until the night of the fair. When his boss asks him to return to the St. Louis office, he offers him a raise. Excited with the news, the family leaves for the fair - the "cream of the world".

'73 Chippewa golfers are all ready to win

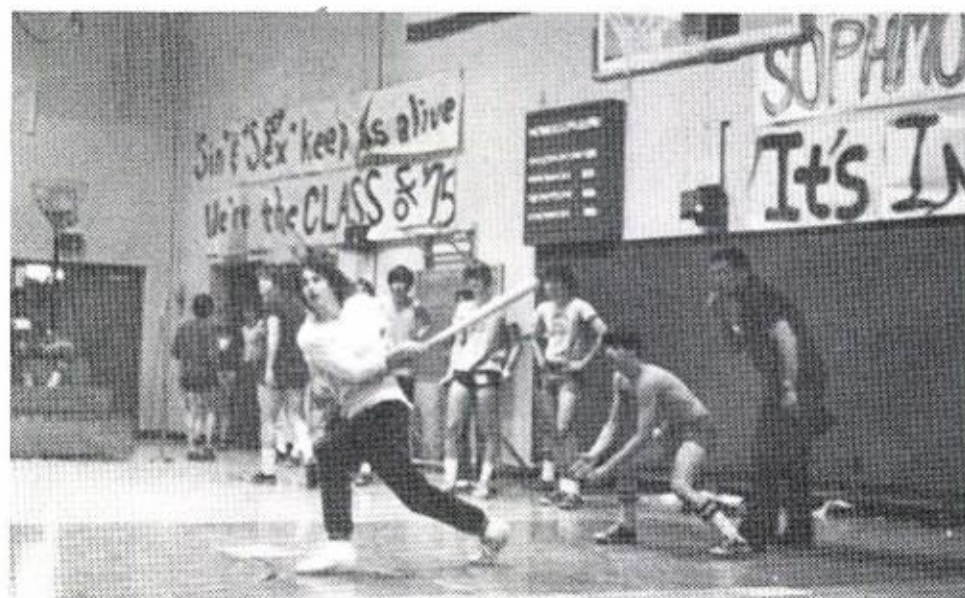

The 1973 Chipp Golfers were out-standing even though the majority of the team were rookies. The only returning player was Roger Gilcrest who subsequently lead the Varsity. The Team consisted of only one senior, thus giving next year's team great possibilities. This years coaching was done by Coach McGowan, who has high hopes for our FUTURE golfers. French and Spanish Clubs present Mardi Gras

The biggest and most publicized event this year for our foreign language clubs was the Mardi Gras. For this holiday the cafeteria was decorated half in French and half in Spanish style and they sold pastries to those in study hall. Then during activity period a king and queen were chosen and they celebrated with pastries and punch.

Ski and pneuma new active clubs at CHS

This year was the first for Pneuma Club. It was a small group that worked together with Miss Sturpe and Sheila Haney and published a small book of fifty pages. It consisted of original poems and artwork by our high school students. They worked hard all year and put out a nice piece of work.

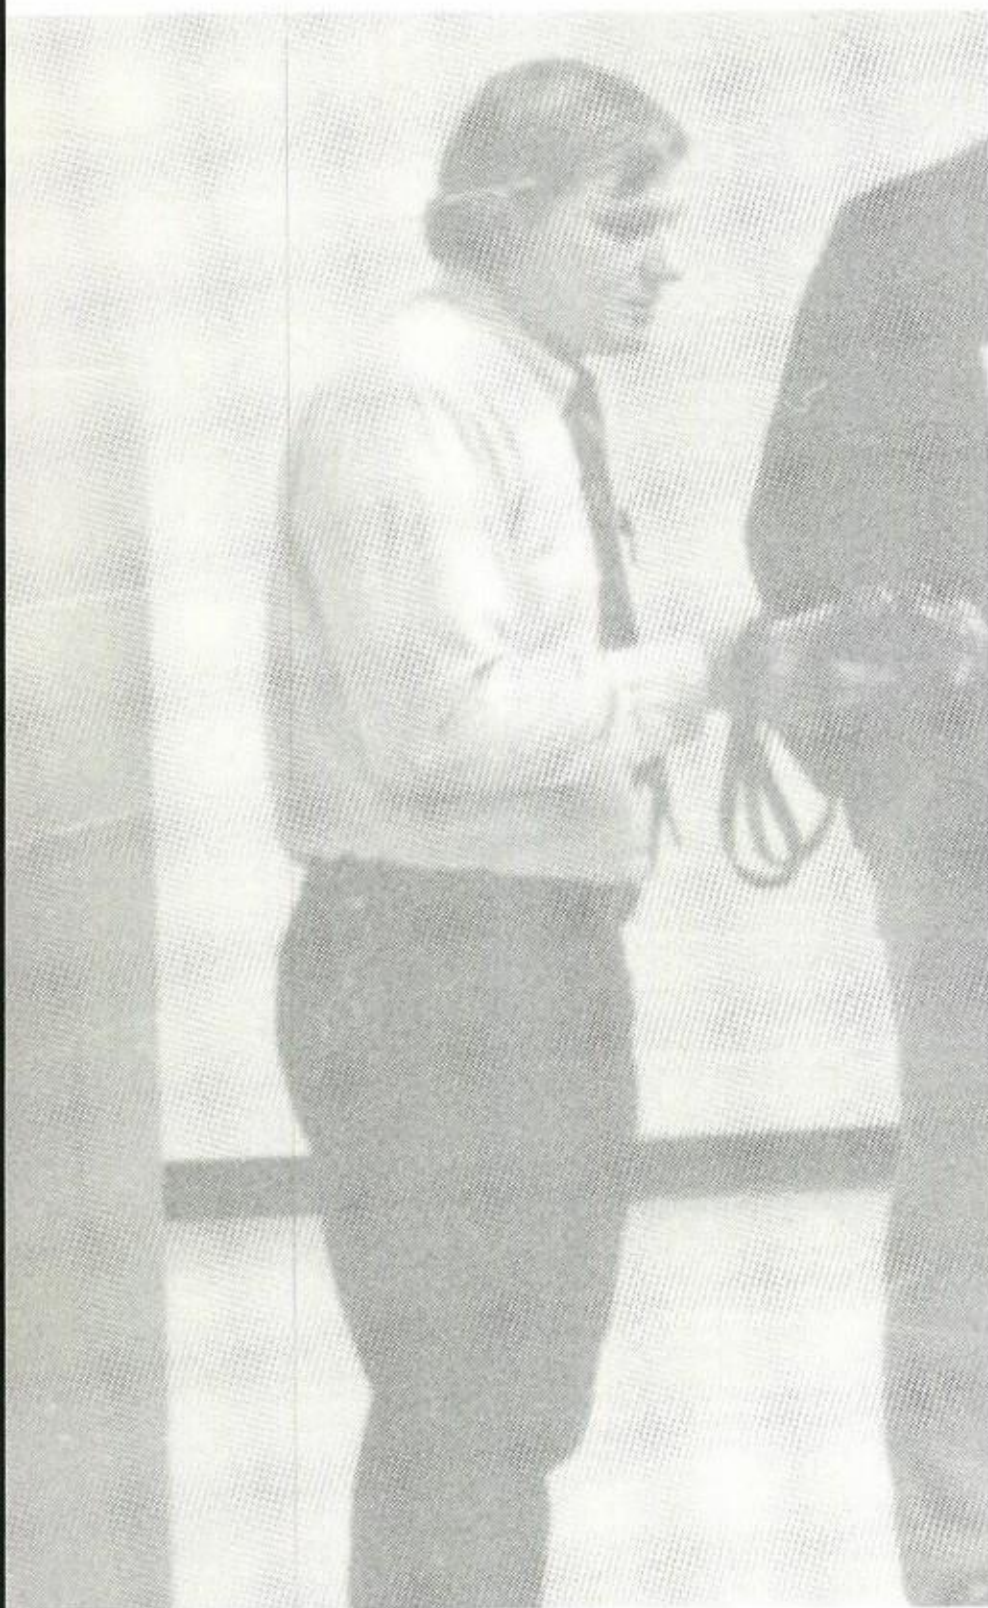

Mr. Parfitt worked with a group of students instructing them on skiing. The weather didn't cooperate too well but they did have a few sessions and many good times.

Freshmen become

The Freshman Class became acquainted with their responsibilities by choosing their class colors, navy blue and gold, and flower, the red rose. As for activities, the Freshmen confined themselves to field-trips such as the one to the Akron Beacon Journal. Altogether it was a year of change and adjustment, but as the years go by, the class of '76 will have spirit and pride all their own.

In the second year at C.H.S., Sophomores combined the usual - the purchase of class rings - with the unusual - a field trip to Lowe's State Theatre to see "Fiddler on the Roof". "If one advances confidently in the direction of his dreams, and endeavors to live the life which he has imagined, he will meet with success" was chosen as the class motto.

Saddened by the death of classmate Cindy Allison, the Sophomore class donated a permanent plaque in her honor to N.F.L. individual events.

Washington worth work; senior trip success!

The inspiration for the whole year for the 1973 seniors was WASHINGTON D.C. ! We worked toward a common goal, and united as a great class. We had bakesales, dinners, and a raffle. All at once we were working together and we accomplished a great deal. We weren't disappointed with our trip. The sights were beautiful and we got to know each other just a little bit better. We saw the White House, the FBI, the Supreme Court, and sat with Ralph Regula on the Capitol steps. All in all, we enjoyed ourselves and had a great time.
